

BMW MINI AERO KIT

Stainless Steel Sports Front Grille Kit

Kit Contents: -

- 1. off Centre Grille
- 4. off Black Screws No.6 x 3/4"

Centre Mesh Grille Fitting Instructions

1. Fit Badge (If not fitted)
2. Remove number plate plinth from vehicle. (Some plinths may require trimming on the back edge to allow for the grille thickness)
3. Offer grille to the grille aperture; fix the grille to the existing plastic grille with the 4 screws provided through the washers in fig.1
4. Replace the Number plate plinth.
5. Your grille assembly is now complete.
