## Mesh Grille Fitting Instructions

1. Place masking tape around the aperture to protect the paint work and to avoid any accidental scratches.
2. Position the grille under the number plate holder until the grille is central in the aperture.
3. Locate the 3 bottom clips through existing grille so that they clip onto the original plastic, use a small flat screwdriver to locate if required.
4. Secure the top section of the grille with the 4 screws provided.
5. Remove the masking tape and your grille assembly is complete.
