

MAZDA MX5 MK 3.5 Convertible Stainless Steel Sports Grille Kit

Kit Contents:

- 1 off Mesh Grille
- 1 off Fitting Instructions

Tools Required: -

- Masking Tape
- Small Flat Screwdriver

Mesh Grille Fitting Instructions

1. Place masking tape around the aperture to protect the paint work and to prevent any accidental scratches.
2. Position the grille under the number plate holder until the grille is central in the aperture.
3. Locate the top 2 tabs through the slots in the top of the existing bumper.
4. Push the bottom 2 clips through the original plastic and secure in position, use a small flat screwdriver to locate if required.
5. Remove the masking tape and your grille assembly is complete.
