

# Mazda RX8

## Stainless Steel Sports Rear Grille Kit

**Kit Contents: -**

- 1. off LH Rear Grille
- 1. off RH Rear Grille
- 4. off St/St Screws

**Tools Required**

- Screw Driver
- Masking Tape

**Grille Fitting Instructions**

1. Using Masking Tape protect painted body work around the area where the grilles are to be fitted.
2. Locate the new mesh grilles to the apertures, making sure they are central in vertical and horizontal.
3. Holding firmly into position and fix with screws through the 4 square washes until the parts are firmly held. (Do not over tighten the screws)
4. Your grilles are now complete.
