

NISSAN 350Z

Stainless Steel Sports Grille Kit

Kit Contents: -

- 1. off Grille
- 4. off Screws 1½"
- 1 .off Screw ¾"

Centre Mesh Grille Fitting Instructions

1. Fit masking Tape around the aperture to protect the paint finish while fitting.
2. Remove the Plastic rivets from the two side blanking plates. And remove them.
3. Locate & unscrew the front vanes from the vehicle using a PH2 screwdriver. The parts have to be unscrewed from the back so it has to be done through the lock aperture.
(Note the small radiator on the LH side is sharp so wear gloves)
4. Unclip then remove all of the vanes.
5. Replace the Blanking plates and refit the plastic rivets.
6. Place the new grille into position, make sure it is central and screw into place through the mesh and the square washers using the screws provided. (Do not over tighten)
