- 1. off RH Side Grille

**Side Mesh Grille Fitting Instructions**

1. Clean out the debris from the inside of the air intake.
2. Fit masking tape around the apertures to protect the paintwork while fitting.
3. Offer the LH/RH mesh grilles to the aperture
4. Hook the outer bracket inside the aperture.
5. Push the grilles into position and hook the other brackets into the aperture
6. Check all of the brackets have engaged fully. (If any of the brackets are not clipped behind the plastic push them down with a long screwdriver while putting a little pressure on the front face of the grille)
7. Remove the tape and the grilles are now complete.
