Centre Mesh Grille Fitting Instructions

1. Apply masking tape to both corners of existing plastic insert as shown in fig 1.
2. Mark the pin position onto the masking tape from the top corner of the insert 10mm from front face then drill 3.5mm hole as shown in fig 2 then repeat to opposite side.
3. Remove the tape.
4. Insert the left locating peg into hole then carefully locate the right peg into hole while gently bowing the grille towards yourself as shown in fig 3.
5. Push grille into place.
6. The grille is now complete.
